

Presidents Letter 2019

It seems like only a couple months ago we were setting up the League for this year's season but here we are at the end of our 73rd year as a League. This was a good season with no issues or complaints to be dealt with by the Board. Overall the League ran very well this year and attendance at tournaments was fairly normal although we would like to see more teams participating in the Format tournaments.

The Executive had an easier year with the lack of issues and received much positive feedback from the Membership. As always, the Executive communicated well within the Boardroom and to the Membership. Be assured that the Memberships concerns and feedback came into the Boardroom where discussion and suggestions for future improvements were discussed.

This year is a full election for all positions on the Executive. There is an Amendment for changing the Directors for a two year term so they can follow through with the 75th Anniversary planning. The following two year term will be responsible for the 75th Anniversary Banquet. Without sounding bias, any Member of the current Executive is fully aware of the planning involved and has had much discussion over the last two years about the 75th and ideas for the event.

I look forward to serving the Membership for another term if elected. Serving on this Executive has been a huge honour and I appreciate all the support from the Membership.

Hope to see you all at the Annual Awards Banquet. Enjoy your summer and be safe! See you again at registration nights which will be announced online with registration forms available at the Banquet and online.

Yours Truly

Richard Duke

President (LDMDL)
