Old Business: President started a conversation regarding the cost of Executive shirts, total cost is \$638.63 for 9 shirts. He asked if sponsorship money should be used towards offsetting this cost. President started a conversation regarding league mailbox. Scorekeeper has made arrangements for it to be moved to Fraternal Order of Eagles Club on First St.

Treasurer starts a conversation regarding the possibility of changing banks so online payments are optional. Scotiabank has this ability but fees may be more expensive than we currently have. This will be tabled for further discussion. He also notes that all league credit cards are paid in full and is still waiting for a replacement card for Secretary.

New Business: A conversation was started regarding the new venue, 427 Wing, which still needs a venue inspection. There have been no complaints about the venue by the team, and was reported that new oche mats are being purchased by the venue for darts.

Scorekeeper started a conversation to have the formal complaint form made more generalized. Andrew will work on it & submit at a later date.

Director Murray started a conversation regarding the chalking rules. It was agreed that the board will not be erased until both players agree on the scores. He also started a conversation about adding Halloween to the "special circumstances" rule for allowing games to be made up at end of the season. It was agreed by all members that this date will have closer attention paid to it in the future when schedules are made and tournaments may be scheduled in this date if possible.

Director Murray started a conversation regarding Memorial Tournaments. He says we need to encourage the playing body to submit names for upcoming tournaments in the future.
