

President's Report 2022-23

May 25, 2023

This year was a great year, laid back with no real problems. At the beginning of the season we realized we still had an excessive amount of funds that were collected from the 75th anniversary. Unfortunately we did not get as many people out as we thought, most likely because of covid. So with the excess funds we decided to give the membership some of their money back by lowering the cost of registration. We also used some of the money to put towards upgrading the league. A new website which will be up and running by next season. New laptops for the treasurer and webmaster which we were in deep need of as the old ones were way out of date and running extremely slow. These three things were in desperate need of.

This was also a year where some new members joined the board and positions were moved around. Rob McCrae and Gerry Leon were excellent additions to the team along with Dave Deschamp moving to Vice- President and myself Val Wilson moving over to President. All these guys on the board have certain jobs to do and they do it extremely well. Especially Ben, Dave, Andrew, Ken and Ed. Really couldn't do it without this great team.

This was also the year where we added in some new open tournaments that have had great success. We are receiving tremendous feedback from people hoping we continue to do this moving forward and we will. Please feel free to drop any kind of input to any of us on what you would like to see as we move forward.

Last but definitely not least, I want to say thank you to the membership for trusting in us to run this league for you. Without you guys, none of this is even possible.

Yours in comradeship,

Val Wilson

Secretary's Report 2022-23

May 25, 2023

This year has been a pretty good year for the league. While there were some issues that required Executive Board attention, overall the year ran quite successfully.

There are two key items I would like to take the time to address with the membership while I have your undivided attention. The first is the large volume of dropouts from the singles league this year. In order for the singles league to be successful there needs to be changes and I strongly urge you all to voice your concerns and ideas to help that area of our league to grow and to stop the large amount of people that sign-up and then dropout.

The second item I'd like to address is sportsmanship. There were a few issues this season that that occurred directly because of sportsmanship or lack thereof. Remember that this is a sport and that you are one of the biggest and longest running leagues in North America and that little bit of sportsmanship goes a very long way in how we show just who we really are as a league.

This Executive Board is a very strong team with a very broad range of knowledge and experience. It has truly been an honour to work with them and I wish nothing but the best for next season and future seasons. Sadly though, this will be my final year as your Secretary as I will be stepping down effective at the close of this season. I thank the membership for your trust in me over the last 6 seasons as your Secretary and the many years prior to that as a Director.

Yours in comradeship,

Ben Garner

Firstly, I want to thank all league members for a fantastic season. Our executive team changed quite a bit this season. Val and Dave took on new positions and we were fortunate to have Rob and Gerry join the team as Directors. I would like to thank the entire executive team for all their hard work this year.

The Financial Review Committee was comprised of three of our members – Mark Ticehurst, Don Jack, and Anthony Scanlon. Thank you for your time spent reviewing the finances from the 2021-2022 season.

My report consists of the P & L from the 2021-2022 season and the Financial Review Committee Report which I will be happy to answer any questions on. Also included is the P & L for the current season, which is for review only. I want to highlight a few items from the P & L from last season:

Again, thanks to all members for their trust in me this season. I am looking forward to serving you as your Treasurer next season. I am hoping to see all of you at our upcoming banquet.

Sincerely,

Dave DeGroot

Treasurer

Financial Review Committee Report for the 2021-2022 Season

The Financial Review Committee has reviewed all receivables and expenditures for the 2021-2022 season, and all were reconciled to the reported amounts.

All audit inquiries were supported with documents supplied by the Treasurer to the committee.

It is the opinion of this committee, the financial books for the 2021-2022 season are accurate and the league finances are in good order.

Respectfully submitted by:

Mark Ticehurst

Don Jack
