

Presidents Letter 2023/24

I would like to start this letter by thanking the membership for their continued support of this executive, without you none of this is even possible. This was another great year of darts in London, everything ran smooth, and I feel this executive made the right decisions all year long. The new website is up and running and we have had very good feedback regarding it. We incorporated a new open singles tournament this year that had a great turn out and our other open tournaments are picking up steam. We had a bunch of new faces and guys that we haven't seen in a long time come out and enjoy themselves. This is what we wanted and hoped to see. The memorial tournaments this year the executive tried something new with honoring the families of the chosen person with a L.D.M.D.L tournament plaque in which they can hang in their houses. Great feedback from the families and I hope the executive will continue this going forward.

Looking ahead to the next couple years, the executive is planning some more tournaments in collaboration with the London Ladies League. I hope to see the 2 leagues come together and support each other to make this happen and have a great turnout. It will be good for darts in London and the surrounding area.

Again, thank you for the continued support and thank you to the rest of my team. These guys work hard all year round to give us a league. We look forward to seeing many of you on registration night.

Yours in comradeship,

Val Wilson

Secretary's Report 2023-2024

May 22, 2024

Welcome everyone to this years Annual General Meeting. This season has been a fun & great year both for myself & hopefully for all of you.

While we only has some minor incidents this season, I would like to thank everyone that I have been in contact with this year, this being my first season as the appointed Secretary, I hope that you all have not had any concerns with the work I have provided. With that being said, my limited knowledge of this position has been a learning curve & hope to get better at it (if im appointed) in the future.

A continuing trend that I would like to address is forfeitures of singles matches, while I do understand that life changes at a moments notice, we also have to consider the implications of these actions & try to manage them as best we can. Dropping from the league has its consequences, but it also leaves a void in our schedule & players. We (The Executive) will try our best to work with each person to maintain the balanced schedule.

I thank you all for attending this years meeting & wish you all nothing but the best for next season & in future seasons.

Yours in comradeship,
Rob McCrae

Another season has come and gone. Financially, it was a pretty calm year. The Financial Review Committee was comprised of three of our members – Mark Ticehurst, Don Jack and Anthony Scanlon. I thank them for their time reviewing the finances from last season.

My report consists of the Profit & Loss (P & L) from the 2022-2023 season and the Financial Review Committee Report. Also included is the P & L for the current season, which is for review only. I want to highlight a few items from the P & L from last season:

- Last season we recorded a loss of \$10,421.54.
- The season prior recorded a loss of \$9019.95.
- Income and expenses over the past couple season remained relatively stagnant.
- Expenses this season have risen substantially with little income positives.

I see expenses continuing to rise and income being stagnant next season. There definitely is a need to generate more income and tighten expenses moving forward. We had a cushion in the bank account which has financed the past two years, but this is not sustainable for too many more years if changes do not happen.

Again, thanks to all members for their trust in me this season. I am looking forward to serving you as your Treasurer next season. I am hoping to see all of you at our upcoming banquet.

Sincerely,

Dave DeGroot

Treasurer

Financial Review Committee Report

The Financial Review Committee has reviewed the financial documents of The London & District Men's Dart League for the 2022-2023 season, and all were reconciled to the reported amounts.

It is the opinion of this committee, the financial books for the 2022-2023 season are accurate and the league finances are in good order.

Respectfully submitted by:

Mark Ticehurst

Don Jack

Anthony Scanlan
