1.1: To encourage a cordial and co-operative relationship among its Members.

1.2: To promote a good image of the game of Darts generally, and more particularly of the London and District Men's Dart League, within our community, WITHIN THE BOUNDS OR LIMITS OF THE BY-LAWS AND RULES OF PLAY OF The London and District Men's Dart League.

2 - L.D.M.D.L. By-Laws & League Administration

The fiscal year of the League shall commence on July 1 of each year.

2.1: The affairs of the League shall be under the direct management and control of the Executive Board. All decisions of the Executive Board shall require a simple majority vote. Under no circumstances whatsoever, can the Executive or Executive Board change, alter or delete the Constitution, By-Laws or the Rules of Play unless all the criteria is met in the amendments Rules 14, 15, 16, and 17 (Notice of Motion, Quorums, Special Meeting or Annual Meeting, etc.). It is understood that the Executive Board can only enact rules that have been proposed, amended and approved at any Annual or Special Meeting (Rule 14). All amendments or motions affecting the members of the Board shall take effect immediately following enactment.

2.2: The Officers of the League shall consist of President, Vice President, Secretary, Scorekeeper/Webmaster, Treasurer, and four (4) Directors that shall be elected by secret ballot at the Annual meeting.

2.5: The Executive Board shall determine the times and dates of League functions.

2.6: In case of any dispute arising from League business not covered by the Constitution and By-Laws of the League, the Board will refer the matter to Robert’s Rules of Order for final settlement.

3 - Registrations of Teams and Members

All teams, at the time of registering with the League shall state their Team name, Sponsor(s) Names, and the Name, Address, Postal code and contact person of their requested home playing location. Boundaries for the locations holding League play will be within the City of London (post 1993) boundary limits. The Executive Board, before any League play, must approve these locations for League play. All players registered, as members in the L.D.M.D.L. must be of legal drinking age (19 years), as outlined by the liquor laws in the province of Ontario.

The Executive reserves the right to ask for Government issued ID as proof of identification at any time during the season. Failing to provide required ID, could result in that player's suspension until ID has been provided as determined by the Executive. A transgender person will be allowed to play provided their Government issued ID states that they are a male and they do not play in any other organized sport as a female. If during the season, a person transitions, they may be allowed to continue play for the remainder of the season provided they do not play any other organized sport as a female.

At the time of registration each team will request their first and second choice of division (if needed) that they wish their team to play in on the L.D.M.D.L. registration form.

The Executive Board will then divide up all registering teams into their divisions. The Executive Board will place teams according to the division that teams have requested. However, the Executive Board may move teams up or down a division/section depending on the following: if that team has placed in either the first two places or the bottom two places in the final standings in their division/section and may also depend on the number of returning players from last year's team. An example of this would be referring to all of the divisions as the following; Premier Division, 1st Division, 2nd Division, 3rd Division, 4th Division and 5th Division (Team only). The Executive will then divide each division into sections of four (4), six (6), eight (8) or twelve (12) teams (depending on teams requesting that division). The Executive will try to keep every section with an even number of teams if possible.

To register as a player (Member) with the L.D.M.D.L. requires a fee to be determined by the Executive annually. For a Member to join an additional League (Singles or Teams), a fee determined by the executive board annually. All players must be identified as male and at least 19 years old at the time of registrations. All players are required to sign a waiver form in order to be eligible to play in the League (Teams & Singles).

Any player so registered cannot change teams without the express permission of his Captain and the Executive Board. Any member is allowed to apply for such change within the first two (2) weeks of scheduled League play. (Memorial night is not included). Notice in writing must be received by the League Secretary by midnight, the Wednesday before the scheduled 3rd week of play. The player requesting transfer may not play on either team until he has been officially notified by the Secretary of the decision made by the Executive Board, which will be forthcoming within two (2) weeks following receipt of a written request to transfer.

Registration of Team and Members continued:

3.2: Additionally, a surcharge may be levied above the annual membership fee to cover the cost of providing Team Captains and Co-Captains with a copy of the constitution, By-Laws, and League Rules of Play. These rules will supersede all previous rules, and will be enforced for the year. Protests regarding the rules will be accepted and ruled on by the Executive Board during the year and will be ratified at the Annual General Meeting. A Captain, Co-Captain's package shall include a telephone contact list of all Captains and Co-Captains of all the teams in their divisions along with all other requirements for the playing season. All playing venues will be provided a copy of the play schedule. Additional copies will be made available on request. This fee may be adjusted each year to account for any increase in costs (printing, postage, etc).

3.3: A membership roster will be kept online and accessible to the league captains and co-captains. This roster will be kept up-to-date by the League Secretary and posted by the League Scorekeeper. This roster will outline the current members on a team.
