The London and District Men's Dart League

EXECUTIVE MEETING

Old Business: Secretary mentioned that old business was the Treasurer asking for a completed asset list from all members. Tabled for next meeting.

New Business: Secretary started a conversation reporting a submission for the Sportsmanship Award. The email was read to all members & discussed. It will be kept until all nominations are entered at that time we will vote on all submitted candidates. He also returned the registration form & money to Ed Lewanick for Ben Garner that was not accepted.

Director Ray started a conversation regarding the Adult/Youth Tournament asking if all members are required to be there. It was mentioned that we all should make every effort to attend but it is not mandatory.

Scorekeeper Andrew started a conversation regarding the media pages. It was noted that the past president still has access to manage the posts & this admin permission needs to be removed & have Andrew as the only admin to manage the FB page. He also mentioned that he has been working on recovering lost files & documents and web pages due to a previous malicious hack to the website months ago. The pages that have been restored will need to have teams/players enter some information manually until the pages are fully restored. Andrew has also mentioned that he is actively looking into alternatives for a new website/server that is more secure so this concern doesn't happen again. He also mentioned that he received an email from Wayne Hill asking if his team could attend the Ron Johns Memorial tournament. It was discussed & we allowed them to be in attendance for the presentation part of the tournament, then they can attend the other memorial tournament at the other venue. He started a conversation regarding dart weight/length. It was determined that there is a rule in place that limit weight to 50g & 9 inches, it was discussed & we will look into a possible rule amendment to lower this as this weight of dart will damage the boards at the venues much faster than usual & create additional expense for venues.

Secretary started a conversation regarding league sponsorship. He had received a message from a member that would like to sponsor the league. It was discussed with the member that he will need to fill out the Sponsorship for & submit it to the Executive.

Director Ed started a conversation that due to physical concerns he is forced to withdraw from Intro Singles. Andrew will notify all members & update the schedule adding a "bye" in place of Ed.

President Dave started a conversation regarding the 2 upcoming Memorial tournaments. It was determined that Ed & Shane will run the Ron Johns Memorial for 4th & 5th Divisions. Ray & Rob will run the Mike Francis Memorial for Premier-3rd Divisions.
